

CRISIS, RISK & SECURITY

SOS International's Crisis, Risk and Security services are designed to help companies prepare, plan and care for employees who require personal assistance because of a crisis or a security situation abroad.

DUTY OF CARE

Duty of care refers to the legal, ethical or moral responsibility or obligation of companies and organisations towards their employees and related family members to maintain their safety and well-being when travelling and working abroad.

BEFORE

- Company Security Policy
- Crisis Management Plan
- Security training and exercises
- Site surveys
- Pre-travel advice
- Country reports
- Travel Tracking set-up

DURING

- Crisis Management response
- Next of Kin Response
- Acute medical and security advice
- Security evacuation
- Access to Security Information Portal

AFTER

- Psychological debriefing (Company, affected employee and the family)
- Review of plans and procedure

SOS International acts as one point of contact and offers tailored solutions that provide the company quick access to a range of Crisis, Risk and Security assistance services before, during and after a security or crisis situation.
