

# Privacy notification – SOS International (COVID-19)

## 1 PROCESSING OF PERSONAL DATA

SOS International (“SOS”) collects and processes personal data about you, when we test you to determine whether you are infected with COVID-19 or have antibodies to COVID-19. The purpose of the processing of information about you, is to determine whether you are or have been infected with COVID-19.

SOS stores personal data about you in order to comply with the rules on Medical Record-keeping.

## 2 WHAT INFORMATION ABOUT YOU DO WE USE?

In order to perform the test, we need to collect the following information:

- (i) Name
- (ii) Contact details
- (iii) National identification number
- (iv) Whether you are infected with COVID-19
- (v) Whether you have antibodies to COVID-19

## 3 HOW WILL WE USE THE INFORMATION ABOUT YOU?

The purpose of processing information about you is to:

- (i) Increase your knowledge about the spread of COVID-19
- (ii) Provide knowledge about the COVID-19 infection
- (iii) Use the information about spread of the infection in statistics

SOS may be required by the health authorities to disclose information about the spread of COVID-19 and the results, which have appeared in connection with carrying out your test for COVID-19 infection or antibodies to COVID-19.

## 4 LEGAL BASIS

When SOS receives your information in connection with your COVID-19 related tests, we process information about you on the basis of the Danish health legislation. We store your information in accordance with the Danish Medical Record-keeping Act (*journalføringsbekendtgørelsen*). Read section 5 below for more details.

## 5 HOW LONG DO WE PROCES YOUR INFORMATION?

We process information about you for as long as necessary in order to achieve the purpose for which it was collected. We do not store the personal data in a manner, which enables identification, for a period which is longer than necessary for the purpose for which the personal data is legitimately processed. Since the information is stored based on the Medical Record-keeping Act (*journalføringsbekendtgørelsen*), the information is stored for 10 years in SOS' case handling system.
